Contractor We Make it Happen
Design and Build

This stylish establishment is a most welcome newcomer to our city centre.

Clarks Shoe Shop Redesign – St Peter's Street

Instigator Clarks International

Architect Clarks International - In House
Store Design/Architecture Team

Contractor Borders Project Management Ltd

The simplicity of this refurbishment belies its sophistication. It is an example of first rate commercial design by a major retailer and one which provides a welcome tonic in current market conditions.

Highfield Park Visitor Centre

Instigator Highfield Park Trust

Architect Roger Mears Architects

Contractor ASM Construction Services

An unassuming, effective and quietly distinguished building. It provides a most appropriate and important centre for the valuable work of the Trust in the park and with the local community.

COMMENDATIONS

This small, discreet extension not only enlarges the scope of the school immeasurably, it also provides an invaluable asset for the future life of the village and that of the wider local community.

Extension to Top School – St Michaels

Instigators St Michaels C of E Voluntary Aided Primary School

Architects Synergy Construction

Contractor Claridge and Hall Brothers Ltd

House Renovation and Extension – 77 Bernard Street

Instigator Mary Conneely & Patrick Hughes

Architect Ashton Porter

Contractor Applewood Design & Build Ltd

An excellent example of sensitive restoration allied to a modern extension. It is built to a high standard providing a home thoroughly in tune with the needs of the twenty first century.

TREVELYAN PRIZE WINNER

This is awarded annually to a project that has achieved the finest quality in terms of conservation/restoration.

House Restoration and Extension – 30 Rose Walk, Marshalswick

Instigator Mr & Mrs Bedwood

Designer Nett Assets

Contractor Impala Property Ventures Ltd

It is relatively rare to find a house of this period renovated and extended so sensitively and stylishly. All involved, not least the owners, are to be congratulated on their commitment.

COMMENDATION

Conversion of Restaurant to Five Cottages – 16-24 Spencer Street

Instigator Amber Real Estate Ltd

Development

Consultant Townstone Ltd

Architect/Designer Thompson Bradford Architects/Miakoda Designs

Contractor Impala Property Ventures Ltd

This is an effective restoration of five cottages from the shell of the former restaurant. The attention given to reinstating the architectural detail of the street façade is especially commendable.
